Dear Mr. Rubleski:

Thank you for your outstanding presentation on *Mind Capture: How to Stand Out in the Age of Advertising Overload* and for sharing the "Seven Secrets to Improve Your Marketing & Get More Sales" with our members. The sold-out crowd was entertained all the way through with your dynamic personality and stories. In the short time you had to engage the audience, you left everyone in the room with great takeaways to bring back to their business and get them ahead of the competition. As reflected in the attendee evaluations, you were one of the most popular and well-received presentations we've ever had!

I wish you the best of luck on your tour for *Mind Capture*, and thank you again for sharing your expertise in marketing with the Seattle Chamber's members. May you experience much continued success!

Sincerely,

Jessica Estrada
