Dear Tony,

On behalf of the Michigan Association of REALTORS®, I would like to thank you for your presentation at MAR's 2006 Convention & Expo. We continue to receive positive feedback from our members on the caliber of the education offerings and this year was no exception. Thanks to you, our members have said this was their best experience yet at a state association convention and our evaluation results support that with 91.6% overall good to excellent rating on the post convention evaluation.

We have learned that our members like a balance of education and fun at convention and we are always looking for ways to improve. It is also important to our members to be motivated by the programs we provide. If you have any recommendations that you feel would improve our convention, please let me know.

In the meantime, take a bow. You deserve it!

It was a pleasure working with you, and again, thanks for such a wonderful presentation.

Best regards,

JodieAnn Boyd Cady, CMP
